NURSERY PLACE DOES NOT GUARANTEE RECEPTION PLACE IN SCHOOL

Please be aware that the process of applying for place at a Primary School for the Reception year is separate to that of applying for a place in a School Nursery. **Please note that children who attend St. Mary's Nursery are not guaranteed a place at St. Mary's Catholic Primary School** when they reach the normal school starting age (i.e. the September of the academic year in which the child will be five). Parents/Guardians must apply for a school place following the normal County Council school admissions procedures.

APPEALS

Please note that there is **NO** right of appeal against the refusal of a place in the Nursery.

LATE APPLICATIONS

Late applications will normally be dealt with after the Local Area Representatives have considered all applications that were submitted on time.

WAITING LISTS

Parents whose children have not been offered a place in the Nursery class will be given the opportunity to have their name placed on a waiting list and their application will be reconsidered in the event of a place becoming available. The waiting list will be kept in admission criteria order and a child's name may move up or down the list. At a new intake point, all children on the waiting list will be reconsidered for a place along with the new applicants in admissions criteria order.
