

## Impact

### By the end of this unit, children will...

*"I have come so that they may have life and have it to the full." (John 10:10).*

By the end of this term, the children will begin to use their phonic knowledge to form and write simple sentences. They will have a deep understanding of numbers to 10 and easily recall number bond facts and number patterns to go alongside. They will enjoy sharing a range of texts, learning about, the life cycle of animals, the natural environments and everyday superheroes. They will continue to partake in weekly PE and music lessons.

The children will also will have experienced various parts of our Catholic faith, including the importance of Easter and Pentecost.

## Intent

It is our vision that the children of St. Mary's love to learn and improve. They will be open to new experiences and ask questions to learn more about new concepts. Our children will grow to love one another and be open to sharing and communicating appropriately.

They will live their lives according to the principles of Catholic Social teaching.

## Catholic Social Teaching

Throughout the term, the children will become familiar with the characters below. They will help them see links with Catholic Social Teaching in their learning.

Catholic Life Pledges:  
Reduce, reuse and recycle.

## Delve Into Twelve

The children's learning will be enhanced through exploring various texts during the Summer term. Our key texts are below.

They form part of our 'Delve into Twelve'.
