Newcastle Tri Golf - Champions

Newcastle Year 3/4 Mini Tennis - Semi Finalists

Staffordshire Golf Champions 2019

St. Mary's Sport Newsletter

Summer 2019

The summer term has seen many of our pupils compete in more sporting events. It seems to have been a term of semi final heartache, but we are proud to say that they have enjoyed taking part, playing in the right spirit.

PE Kit

Our PE kit will be remaining the same for the next academic year. A reminder that the tops are available to buy from SMART uniform in Newcastle.

KS1 - PE top, black shorts and pumps.

KS2 - PE top, black shorts and trainers.

Sports Day

It was great to see the children not only doing their best to win, but also promoting a great team ethos when supporting the other children in their team. Thank you to parents and family who supported the day, especially those who took part in the parents' race!

Kitemark

Once again we have been awarded with the Kitemark Gold Award in recognition of our commitment to providing outstanding PE. The criteria includes the percentage of children attending sports events, after school clubs and leading sport within the school. The award shows that our children are willing to try new sports and challenge themselves in a sporting environment.

Football

Newcastle Girls' League:

Our Girls' team completed their league season this term. They conceded just one goal all season and finished in third place after a narrow 1-0 against Westlands. A great season girls - well done!

Rounders

We took both a boys' and girls' team to the Rounders competition. The boys were unfortunate to miss out on a semi-final place after narrowly losing their final game. The girls won their group before losing by just half a rounder in their semi final!

Athletics

The Athletics team participated in the Newcastle event at Northwood Stadium. Luckily, the sun shone and the children were able to enjoy a great day. We have received all of the individual results from the Newcastle Final and there are some impressive individual results.

Individual Town Podiums: Harvey M (400m), Christian J (800m), Ella B (200m), Ryan M (High Jump)

Cricket

Both our boys' and girls' teams have completed their cricket fixtures this term. They also enjoyed some success with both teams finishing second in their respective groups. Hopefully, they can follow in the footsteps of our English World Champions!

Golf & County Final

Our Golf team have had an excellent term continuing our golfing success at St. Mary's. They were crowned as the champions of Newcastle for the fourth consecutive year. They then went on to represent the town in the County Final where they were crowned as the champions of Staffordshire for the third consecutive year.

On the same day, Christian J took part in the Staffordshire Cross Country final finishing in 32nd place - a great achievement!

Inclusion Sports Day

The final event of the year was the Inclusion Sports Day - this gave 16 of our Year Five children, who had not represented the school before, the opportunity to participate in a range of sports against other schools. They had a great day taking part in Netball, Rugby, Cricket, Bowls and Golf.

Tennis

Could we have a St. Mary's Wimbledon champion in the future? Our year 3/4 performed brilliantly at their tournament at Keele University. A string of fantastic performances saw them reach the semi final before eventually losing to Ellison Street.

Who has represented the school this year?

A huge number of children have represented St. Mary's in a competitive event this year across A, B and C teams. This is a credit to the children who are always willing to put themselves forward and try new sports. Following the year 6 leavers' assembly on Friday, we will announce the winner of the sports cup for 2019!
