Agenda Item:

- Welcome
- Pupil Voice, monitoring and supporting
- Worship with Parents
- Retreat
- AOB

Key Points:

1. Pupil Voice - the next monitoring and evaluation will be around pupil voice. It was discussed that Catholic Life Leaders will be asked to support the DHT or AHT throughout whole class Catholic Life Pupil Voice sessions. The Catholic Life Leaders will listen and prompt/discuss ideas if the children are not confident in answering particular questions; they will 'jog their memory'. The Catholic Life Leaders will help the teachers to come up with next steps.
2. Worship with parents - Catholic Life leaders want to suggest to Mrs Wrigley that we hold class worships that parents can take part in, like the story-time sessions. Mrs Mellor to ask Mrs Wrigley.
3. Retreat - The idea of a whole school retreat was discussed. The Catholic Life Leaders would like a retreat around Lent. Mrs Mellor to explore this idea.
4. A.O.B - Kylie and Lily reminded the group about the bake/art & craft sale for various charities. The children are happy with what they have organised so far
